Icebound

By Dean Koontz

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Icebound, Dean Koontz, A widespread drought is causing murderous famine. There is one possible solution: Arctic ice could be moved south to parched coastlines and melted for water. In an Arctic icefield, a special team of scientists has planted bombs that will detonate automatically at midnight to break away some of the ice. Before they withdraw to the safety of their base camp, a shattering tidal wave breaks loose the ice on which they are working. Now they are marooned on an iceberg during the worst winter storm of the decade. The bombs in the ice beneath them are buried irretrievably deep and ticking. Abruptly thrown into a desperate struggle for survival, the scientists are plagued by the discovery that one of them is a ruthless killer on a strange mission of his own.
