So why are they going Would you Rainbow Party is a cautionary tale about a group of teens faced with the prospect of attending a party involving oral sex. The novel spotlights each of their diverse viewpoints in the hours leading up to the party. It explores what each teen has -- and has not -- been up to sexually, and why. And ultimately, why they would consider going to a party like this in the first place. This book addresses important and timeless issues relevant to teens, including self-esteem, peer pressure, awareness about STD protection, and making an informed and educated decision about readiness for sexual activity. It was inspired by numerous news reports about the prevalence and attitudes among teens towards certain types of sexual behavior, and is intended to engage readers in this real-life issue in a responsible and constructive fashion. This item ships from La Vergne,TN. Paperback.
