Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of State Board of Fish Commissioners: From September 30, 1902, to October 1, 1904 To His Excellency, Hon. Richard Yates, Governor State of Illinois: Dear Sir - We have the honor to submit herewith our report of State Board of Fish Commissioners from Oct. 1, 1902, to Sept. 30, 1904. The work of the commission has progressed along same lines as in former seasons. The collections for season of 1903 were good and plants were successfully made. Every indication of an increase of food fishes over previous seasons reported has been evident and reports from every part of the State indicate not only more fish but better care of them. The open waters of the Illinois river show a very marked increase since the introduction of the lake waters. For two seasons following the opening of the drainage canal the water was so high that the work of the market fishermen was largely interfered with, the river being out of its banks and fish out in the woods. The rest, however, has caused an almost unprecedented supply and the catches of the season of 1904 have been record breakers, particularly of carp. The development of the commercial interest centered in the taking of coarse fishes on Illinois river has been of such a nature that considerable capital has found its way from the east and the fish business has taken its place to stay as a great food producing industry. The law compelling the destruction of the gar for which the commission urged that the meshes of the lawful seine be reduced to one and one-half inches has been a practical one and has...
