Brand New Book ***** Print on Demand *****.There is an art to studying. Anyone one can study, but few truly learn the art. Drew Case s insightful new guide to academic achievement, The Keys to Success, provides the tools you need for a lifetime of accomplishment. The author s fifteen years of classroom instruction have helped shape this handbook into a fun and easy-to-read compilation that teaches the skills required for successful learning, studying, and test taking. Over the past decade and a half, the strategies laid out in The Keys to Success have been shown to help all types of students achieve their maximum potential time and time again. The lessons learned, however, don t simply apply to college students. Instead, anyone wishing to acquire and apply new skills can benefit from Case s expertise. Originally conceived as a short addendum to the syllabi in his college science and nursing classes, Case quickly realized just how much most students needed a no-nonsense guide to academic achievement. As a result, he modified his original materials that resulted in the comprehensive book that is The Keys to Success. So whether one is a K-12 or college student, acquiring new job skills, or even a member of the military, the potential knowledge this educative guide offers is endless. Case travels around the state presenting to various K-12 schools and colleges. Case is available for speaking and presentations. Please contact him at for more information.
