Reviews

The ideal publication i possibly go through. It is amongst the most awesome publication we have study. I am just easily will get a satisfaction of studying a published publication.
(Shanie Cartwright)

UP ALL NIGHT: MY LIFE AND TIMES IN ROCK RADIO

HarperCollins Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Up All Night: My Life and Times in Rock Radio, Carol Miller, Growing up in a traditional, intellectual ethnic Jewish household in Queens, New York, Carol Miller was supposed to be a doctor or, at the very least, a lawyer. But hearing a doo-wop trio in the alley under her window changed the direction of her life: she fell in love with popular music. During the late 60s, as the rock explosion and rebellion hit American colleges, including the University of Pennsylvania where she was a biology student, Carol joined the underground airwaves of progressive rock radio. Carol pursued radio with the dogged intensity and ambition that made her an exceptional student. But mysterious symptoms that she developed as a young woman seemed to grow more intense and painful by the year. She and her family were haunted by an unnamed and never discussed illness that claimed most of her relatives long before old age. Carol knew that she might be as cursed as her elders and it drove her to make the most of what she always feared might be a short life. She landed increasingly high profile jobs in Philadelphia and New York, eventually rising to the top to work alongside Scott Muni, Cousin Brucie, and other legendary personalities she admired growing up. As one of the nation's top DJs, Carol introduced the music of Bruce Springsteen to New York radio, was on a first name basis with Sir Paul McCartney, shared vitamins with Lily Tomlin, and dated Steven Tyler. She changed the business itself, creating an on-air approach that has been imitated and adapted by stations nationwide. In "Up All Night", Carol spins the entertaining, moving, and revealing story of her life and times. A star-studded roster of...
