Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Book 1 in the Primitive Series PRIMITIVE FIX - Meet two brothers, tiger shifters, and the women who bring out the beast in them. Part 1 - Kenyon Sage Villalobos has been destined to marry Kenyon Maddux since the day she was born. As the second-born in her wolf clan, she came into this world owing a debt to the family of shape-shifting tigers who rule the Louisiana swamps in the Atchafalaya Basin. Kenyon is the only man she's ever wanted, the man who sets her blood on fire, but she's tired of being indebted to his family for something she didn't do. She wants him to choose her because he loves her, not because he owns her. When Kenyon's brother, Nik, is taken prisoner, Kenyon turns to Sage for help. Using her unique skills, she knows she can help him free his brother, but there will be a price. If she agrees to do this, she wants Kenyon to release her from her debt. However, the only thing Kenyon wants to do is hold on to her and never let her go. Part 2 - Nik After months of captivity as part of a roadside attraction, Nik Maddux is finally able to escape. Injured and at death's door, he makes his way through the swamp only to collapse near Juliette's home. Juliette pulls the naked man into her cabin and begins nursing him back to health, marveling at the black stripes which cover his body and the feline features of his face. She knows he's not quite human and realizes she may have found a kindred spirit, someone whose secrets...
