DAVONTE S INFERNO: TEN YEARS IN THE NEW YORK PUBLIC SCHOOL GULAG (PAPERBACK)

Written Warrior Press, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.A TEACHER S STORY OF FEAR AND LOATHING IN AMERICAN EDUCATION TODAY. Calling on policy, research, humor and a generous serving of snark, in this cutting edge story irreverent Laurel M. Sturt pulls no punches detailing her bizarre life in the trenches teaching in a high-needs elementary school in the Bronx. With the Alice in Wonderland backdrop of teaching in a school strangled by poverty, No Child Left Behind s accountability, and Michael Bloomberg s micromanagement, Sturt trains an unflinching eye on the crisis confronting today s educators, delivering a scathing indictment of pretentious education reform driven by a mercenary agenda to privatize a system worth billions. The author charges educators and parents to unite and organize at the grassroots level to fight for this civil rights issue of our time--the right to a decent education--coalescing around proven non-negotiables such as sufficient funding, universal pre-kindergarten, a rich curriculum free from high stakes testing, and the socioeconomic integration of schools. By refusing an apartheid in which the one percent and the ninety-nine percent receive vastly different educations, community by community we can drive back the privatizers, restoring the public to a system committed to all.
