Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Crossroad Publishing Co ,U.S., United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Masquerading behind the guise of the old-fashioned Catechism that generations of Catholic school kids in plaid skirts or clip-on ties had to memorize, this candid handbook provides a witty take on the teachings of the Catholic faith. Objections from relativist, New Atheist, dissenting Catholic, and other points of view are featured, with intellectually sound questions and bracingly funny answers. Penned by a Yale-educated author who worked both in the mainstream, secular media as well as for Catholic outlets, the study reveals the whole range of contemporary criticisms aimed at the Church and how to answer them in kind. Using both a rapier wit and the strong left hook of a blue-collar kid from Queens, this guide defends its faith with good humor and sincere respect at every turn while illustrating the difficulties modern believers face.
