For a law student, numerous and massive assignments loom from the very first day - with no let-up until final exams - and with zero feedback until those finals. Law students wonder where to begin, how to begin, and what to do each day. Law School Fast Track is unique in its format: short, fast, inexpensive, and easy-to-read. It is written to help law students starting on day one with one thousand pages of assigned cases. Its immediate suggestions, examples, and tips are invaluable - worth far more than its modest price. Law School Fast Track is also unique in that it focuses simply on the first week of law school - emphasizing the importance of establishing and maintaining good habits. Most habits in law school are formed before and during the first week.
