SIMON SCHUSTER, United States, 2016. Hardback. Book Condition: New. 212 x 139 mm. Language: English . Brand New Book. A funny, fierce, imaginative memoir chronicling New York Times bestselling author and Academy Award winner Shirley MacLaine s remarkable experiences filming Wild Oats in the Canary Islands and the extraordinary memories her time there brought forth of a past life on the lost continent of Atlantis. Her agent told her not to get on the plane. The male leads weren t even cast. The financing was shaky at best. The script had been re-written countless times. And yet something about Wild Oats lured Shirley MacLaine to the film s location shoot in the far-off Canary Islands and straight to the center of one of the most thrilling and paradigm-shifting adventures of her life. The making of the film reads like a screwball comedy, as the cast and crew face unpredictable daily obstacles with ingenuity, grit, and personal sacrifice. Yet the chaos leads Shirley to a revelatory new understanding of the demise of one of history s most elusive yet endlessly intriguing places. Scholars have long theorized that Spain s Canary Islands are the remnants of the mighty lost continent of Atlantis. As the movie set descends into pandemonium, Shirley finds fascinating corollaries between the island s cataclysmic fate and our own dangerous trajectory. Can we learn the lessons the citizens of Atlantis failed to comprehend? The answer is borne out of recovered memories from Shirley s past life on Atlantis and through a series of meditations that reveal the necessity of unfettered imagination when looking for bold new truths, rendering this evocative memoir essential reading for anyone seeking a broader understanding of what it means to be human both where we came from and where we are going.
