

Extraordinary Healing, Ordinary Miracle: Choosing Wellbeing Over Fighting Cancer (Paperback)

By Patricia French Crilly R N

Wellbeing Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Extraordinary Healing, Ordinary Miracle: Choosing WellBeing Over Fighting Cancer offers a new perspective on healing. Meet Patricia French Crilly aka Nurse Crilly as she takes you along on her healing odyssey. Her extraordinary healing from invasive ovarian cancer was not a random or spontaneous occurrence but rather came about through a deliberate intention to heal herself. What puts this in a realm of miracles is that her healing took place in the space of two weeks between learning of her diagnosis and having surgery. Despite sharing with all of her doctors her intention to get rid of it, all but one, her surgeon, were left scratching their heads in disbelief of the outcome. Many tried to come up with a rational explanation ranging from misdiagnosis to extremely good luck to that old standby, spontaneous remission, the go to explanation when all other possibilities have been debunked. There was just one problem with that theory in this case and that was as Nurse Crilly said, There was nothing spontaneous about this healing. I worked my butt off! Combining...

Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

-- **Kristy Dicki**

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
