FBI UNDER THE INFLUENCE BY GREGORY PAPADOPOULOS, AVILABLE AT AMAZON AND EBAY \$12.95 This book is about a corrupt cooperation between FBI agents and Gangsters that has shaped America for over fifteen years now. Corrupt agents, that include the Director, have been working as a team with wealthy Gangsters living in Palm Beach. Such cooperation has incredible synergy powers and there is really nobody left to stop or police or their crimes. They were instrumental in electing President Bush, they have tried to impeach President Clinton, they are responsible for massive importation of drugs, they run substantial prostitution rings, they have brought down huge businesses, and have destroyed thousands of innocent citizens for money. Hundreds of billions of wealth has disappeared and trillions of resources have been wasted so they can make a couple of billions and split it among themselves. A similar cooperation between the FBI and Gangsters in Boston controlled the entire Boston drug market for twenty five years. This cooperation however, which they call THE FORCE, remains unchecked and continuous to prosper. It is like a cancer is growing in America, multiplying and devouring healthy resources and nobody wants to even diagnose the disease. This book is about our stupidity of giving the FBI director incredible unsupervised, secrecy and power to make billions for Gangsters while we are paying him a measly \$3,500 per week. Learn about the corruption scheme of the century that nobody can stop. Learn why Bill Clinton got a phone call from Florida the precise moment he was telling Monica Lewinski he was ending the affair. Learn why George Bush won the election even though Al Gore got the majority...
