Brand New Book ***** Print on Demand *****.After being made redundant from a seemingly secure job Jolene Carr takes a two week break in the sun. On the first day she meets Raquel, another hotel guest. Little does she realise how this apparently innocent acquaintance will lead to terrible and lasting consequences. After a frightening incident she hits a conspiracy of silence from the locals and over the rest of the holiday she feels herself slipping into a vortex of fear. Back home, the nightmare continues as she realises that Raquel is stalking her. Her hippie mother and her partner Mark tell her to move on. All certainties, even about relationships, become fluid and treacherous as her past begins to unravel. If it wasn't for Rob, her ex-lover who Jolene thinks has his own agenda, she would be left to cope on her own. A gripping psychological suspense. How much fear and betrayal can one person take?.
