## ***Reviews***

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

FRANCHISE AND INTANGIBLE PROPERTY VALUATIONS. In estimating the value of the franchises and intangible rights of the Companies, your Commission has, at the outset, been confronted with difficulties with which the Committee on Local Transportation is thoroughly familiar. These difficulties are of three kinds: First, the difficulty in determining what are the exact legal rights of the Companies in any given street or part of street, in the absence of a direct and final judicial decision as to these rights; Second, the difficulty in estimating the value of a line of street railways consisting of several parts, where each...
