A Letter to My Son is based on some of my life experiences; but, many of the characters inside are fictional, and some of the story ideas were sparked by nothing more than a telephone conversation. In retrospect, this book is more a reflection of my mindset, at that time, than my whole reality. At the time I wrote A Letter to My Son, I had no idea why I was so compelled to purge these pessimistic thoughts from my system in such a public way. But, several years later, I know. It s as though...
