The Expression of the Emotions in Man and Animals (Paperback)

By MR Charles Darwin

Createspace, United States, 1899. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.MANY works have been written on Expression, but a greater number on Physiognomy, that is, on the recognition of character through the study of the permanent form of the features. With this latter subject I am not here concerned. The older treatises, which I have consulted, have been of little or no service to me. The famous Conferences of the painter Le Brun, published in 1667, is the best known ancient work, and contains some good remarks. Another somewhat old essay, namely, the Discours, delivered 1774-1782, by the well-known Dutch anatomist Camper, can hardly be considered as having made any marked advance in the subject. The following works, on the contrary, deserve the fullest consideration.

Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.
