Interest (Paperback)

By Kevin Gaughen

Kevin Gaughen, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.It's all the news channels can talk about: the White House has been bombed, there's chaos in the streets, and the United States has found itself in the throes of a violent revolution. Surrounded by panicked people, washed-up journalist Len Savitz takes the crisis in stride. It's nothing that a stiff drink won't cure. After all, bad news only hurts optimists. But when the mysterious leader of the rebels cherry-picks him to acquire certain information for her, Len is forced to go on an investigative mission where he uncovers millennia-old secrets and unwittingly triggers a chain of disturbing events that will determine the future of humankind. Author Kevin Gaughen's dynamic debut novel, *Interest*, creates a seamless alternate reality behind real-world political tensions while keeping pace with its page-turning plot. *Interest* is as riveting as it is thought-provoking. Who really runs the world we live in? The further Len digs, the darker the answers appear to be.
