Outskirts Press, United States, 2014. Hardback. Book Condition: New. 284 x 218 mm. Language: English . Brand New Book ***** Print on Demand *****.My Wuzzle and Me is a joyful and warm book that both charms and delights children. Written in rhyme with enchanting nonsense words and delightful illustrations, Mr. Hope teaches children that their imagination and creativity can be the launch pad to a world of adventure and fun that only they and their Wuzzle can experience. Everyone involved with children will want this book because every child will want to read it, or have it read to them, over and over again! Kathy Owens Wallace Assistant Professor of Elementary Education University of North Alabama I have a Wuzzle! Really, I do! I have a Wuzzle, and you can have one, too. My Wuzzle weezles and wazzles and woozles all day. I love it when he comes to my house to play. All alone in my room, just my Wuzzle and me. My Wuzzle, my imagination, and me - that makes three. So begins the delightful story of a little boy who is never alone. By using his imagination, he has created a fun and mischievous little playmate, his Wuzzle, who always shows up when he needs a friend. His Wuzzle is a small, round, purple creature with big eyes and a big smile that only he can see. They love each other very much and, together, they race cars, sail ships, fly through space in rocket ships and travel the world and beyond without ever leaving the little boy's room. Children will be captivated by the exciting adventures of the little boy and his best friend, his Wuzzle, and, encouraged to create their own by simply using their imagination! Wonderful discussions between parents and children and teachers and students...
