## THE TIBETAN BOOK OF THE DEAD: LIBERATION THROUGH UNDERSTANDING IN THE BETWEEN

HarperCollins. 1 Paperback(s), 2012. soft. Book Condition: New. "The Dalai Lama's blessing attends Thurman's translation of the Book of Natural Liberation Through Understanding in the Between. Composed by Padma Sambhava in the late 8th century, this text minutely describes the 'betweens' (Bardos) or after-death transition states. Thurman, who opens this work with a new section of preliminary prayers, gives a helpful commentary in terms Westerners can understand and boldface portions to be read aloud in the presence of the dead. He closes by appending Nyingma tradition works to the main text. Westerners will find this a colorful, awesome journey."Library Journal 278.
