Tantalus, a cottage for the forester and quarters for the laborers were built. Upon investigation and looking over the survey, I was surprised to find that these buildings are on the Coney estate. However, by arrangement, our keeper is allowed to remain in his quarters, but I ask for an appropriation for building suitable quarters, and a shed, for him and an additional laborer on the Government land. The forest must be well looked after and I believe that can be done better by two men than one. The list of trees growing in this forest is quite a lengthy one. None of them have as yet arrived at maturity, as regards the timber quality; it will be several years before they do that. Hundreds of exotic forest trees have been experimented with, and given a fair trial in the forest, but without success. Seeds have...
