Angling is such a popular recreation that professors of the gentle craft are to be found amongst all classes and conditions of the Genus homo. The disciples of glorious old Izaak is not their name Legion In early youth, fascinated with the capture of the tiny Minnow or glittering Gudgeon, the youthful Tyro is known in after years as the expert Salmon and Trout fisher. To become a really expert angler, requires a good deal of energy, perseverance, and activity, accompanied by a suitable amount of patience and ingenuity. In the fourth chapter of Waverly are the following observations, that of all diversions which ingenuity ever devised for the relief of idleness, fishing is the worst qualified to amuse a man, who is at once indolent and impatient, such mens Rods are quickly discarded. My advice to those who are desirous of enjoying the contemplative mans recreation, is that they undergo a probationary course, under the guidance of a competent professor. Three or four days of diligent observation employed in watching the manual operations of an instructor, would go...
