Image Comics. Paperback. Book Condition: New. Emma Rios (illustrator). Paperback. 120 pages. Dimensions: 10.1in. x 6.5in. x 0.5in. Kelly Sue DeConnick (Avengers Assemble, Captain Marvel) and Emma Rios (Dr. Strange, Osborn) present the collected opening arc of their surprise-hit series that marries the magical realism of Sandman with the western brutality of Preacher. Deaths daughter rides the wind on a horse made of smoke and her face bears the skull marks of her father. Her origin story is a tale of retribution as beautifully lush as it is unflinchingly savage. Its a perfect match for the gorgeous, dizzying artwork in a sumptuous palette-overlaid panels add intricate choreography to fight scenes, and detailed, whirling splash pages beg for long-lingering looks. Couple that, along with a handful of Eisner nominations, with a multicultural cast of tough-as-nails women who all fight for their own honor, and this is a series to watch out for. - Booklist Its ambitious and challenging (two qualities that are not often valued, but that probably should be), under a facade of violence and sacrifice. Rios art is lush and detailed, and is more than capable of keeping up with the far-reaching story. - PW This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
