On the rare occasions when he was not witty himself. Counselor Nolan was the cause of wit in others, so that at the time of his all too early demise, there had clustered around his name a large if somewhat nebulous mass of anecdote, the greater part of which is founded in fact as well as in genuine Irish wit and humor. That some of the stories told on the Counselor are apochryphal, is inevitable. Such as are known to be so, are not herein set down. Mr. Nolan was an honest and worthy man, who left behind him a host of friends who during his lifetime were wont to laugh with him as well as at him.
