Peckerhead Press, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Forget Fifty Shades of Gray, this book is fifty shades blacker than your a**hole . . . Michael McLaren is Hollywood s proctologist to the stars. In Tinseltown, there s no shortage of famous people who need things discreetly removed from their sphincters--or who want things shoved up there. Either way, business is good. But when he discovers that demons dwell in the darkest crevices of existence, he s unwittingly initiated into a secret society of demon hunters: The Psycho Proctologists. The world may think they re crazy, but they re all that s standing between you and the Armageddon. Because when flaming buttholes threaten to doom humanity as we know it, who ya gonna call? A butt doctor. ABOUT THE AUTHOR W.W. Pecker is the top-secret pen name of an award-winning author. No, really. It wasn t the Nobel Prize, or even the Pulitzer, but it was an award for writing, dammit. And no, it wasn t his third grade teacher s class prize, either. Geez. Cynical, much? When he s not writing, he can usually be found watching porn on the internet.
