

Simple Steps to Better Golf - Book One (Paperback)

Filesize: 9.61 MB

Reviews

The book is simple in read safer to comprehend. It is writter in straightforward words and phrases instead of confusing. You wont truly feel monotony at anytime of your time (that's what catalogues are for concerning in the event you request me).
(Brannon Koch)

SIMPLE STEPS TO BETTER GOLF - BOOK ONE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Back when I first started writing my ideas about the game of golf on my website a few years ago, I wasn't exactly sure of what golfers around the world would find most useful. So, I covered all sorts of different areas as they related to golf. I knew what I found to be most useful personally and what had worked effectively while teaching golf over most of the past 30 years but was I able to convey any of that in writing? Over time, as the amount of articles on the website grew - I started to get feedback and comments from golfers around the world about how useful they were finding my tips and advice. Success! These golfers who I had never met and were mostly playing golf on the opposite side of the world were all telling me that by understanding my simple ideas and more importantly, by applying the simple steps I suggested to their games - that their golf had improved easily and effortlessly. It's a humbling thought that I am able to help people to enjoy the game they love simply by putting my ideas into writing but at the end of the day - it's exactly the point of what I am trying to do by sharing this knowledge that I have gained over the years. This book Simple steps to better golf Book One is the first in a series that covers the most effective information - according to the feedback I have received from the readers of It's like a quick start guide to help you break through some of the contradictory information out there and focus on some simple steps to allow...
