The authors predict radical changes after official acknowledgment that at least some UFOs are intelligently controlled craft from somewhere other than Earth. A.D. After Disclosure isn't afraid to make mind-blowing, specific predictions, such as: Congress will hold Watergate-style hearings and ask secret-keepers, What did you know and when did you know it? The first decade A.D. (After Disclosure) will be like a high-tech 1960s, spawning massive cultural and societal change. Abductees will file a class-action suit against the government for withholding critical information. All the textbooks on planet Earth—from history to science—will need an immediate review. Whether disclosure leads to social panic or ushers in a new era of unity and peace, it will undoubtedly be a game-changing event.
