CHILDREN'S GAMES IN STREET AND PLAYGROUND

Floris Books. Paperback. Book Condition: new. BRAND NEW, Children's Games in Street and Playground, Iona Opie, Peter Opie, Perhaps this book should come with a warning to parents: within these pages, children deliberately scare each other, ritually hurt each other, take foolish risks, promote fights, and play ten against one. And yet throughout, they consistently observe their own sense of fair play. 'During the past fifty years, shelf-loads of books have been written instructing children in the games they ought to play -- and some even instructing adults on how to instruct children in the games they ought to play -- but few attempts have been made to record the games children in fact play.' This was Iona and Peter Opie's pertinent observation in 1969, and it was this gap that they sought to fill with their exhaustive survey, through the 1960s, of the games that children 'in fact play' aged roughly between six and twelve years of age, and when outdoors -- and usually out of sight. The Opies weren't interested in formal games and sports supervised by parents or teachers. What excited them were the rough-and-tumble games for which, as one child described, 'nothing is needed but the players themselves.' They were also anxious that, in their meticulous recording of the games, the spirit of the play, the zest, variety and disorderliness, should not be lost. The result was their classic work Children's Games in Street and Playground. It records games played in the street, park, playground and wasteland of more than 10,000 children from the Shetland Isles to the Channel Islands, although the majority of the information comes from children living in big cities such as London, Liverpool, Bristol and Glasgow. It focuses initially on starting a game, and games involving chasing, catching and seeking, and includes...
