Brand New Book ***** Print on Demand *****.Excerpt from Strong Hearts The dream of Pharaoh is one. The seven kine are seven years; and the seven good ears are seven years: the dream is one. And for that the dream was doubled unto Pharaoh twice, it is because the thing is established. In other words: Behind three or four sub titles and changes of time, scene, characters, this tale of strong hearts is one. And for that the tale is tripled or quadrupled unto you three or four times (the number will depend); it is because in each of its three or four aspects - or separate stories, if you insist - it sets forth, in heroic natures and poetic fates, a principle which seems to me so universal that I think Joseph would say of it also, as he said to the sovereign of Egypt, The thing is established of God.
