

Merchant Prince

By Thomas McCarthy

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Merchant Prince, Thomas McCarthy, In 'Merchant Prince' Thomas McCarthy presents two groups of poems, set largely in Cork, and a novella set in Italy, in the period from 1769 and 1831. They tell the story of Nathaniel Murphy: his training for the priesthood, the loss of his virginity and vocation, his flight from Italy, and later his happy marriage and successful career as a Cork merchant. The unusual mixture of verse and prose and the meticulously imagined history - replete with portraits of such great figures as the painter James Barry, and four Italian poets who are strangely reminiscent of certain contemporary Irish poets - gives the book a compelling flavour. Poems and prose combine in a poetic fiction which is, among other things, a meditation on the craft of verse and the artistic calling, and a restoration project on a kind of Irishness overwritten by later history.

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for any time.

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom. You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).
