Samhain Publishing Ltd, United States, 2009. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book. Desire can strike without warning. Shadow Destroyers-Book 3 Journalist Blair Murphy is on the trail of a hot lead when she meets an even hotter stranger. Charmed by Drew Reid s sexy smile and intrigued by his evasive answers, Blair puts aside her undercover investigation of a corrupt politician for an under-the-covers investigation of every inch of his incredible body. But even after Drew satisfies her in every possible way, he refuses to satisfy her curiosity. Especially about the mystery woman who keeps calling his cell phone. As a burnt-out demon slayer, the last thing Drew needs is an inquisitive woman complicating his life, especially when she turns out to be the one woman who s strictly off limits-his partner s sister. He knows firsthand why it s important to keep loved ones at a distance, yet the fierce desire Blair arouses makes it impossible to stay away. Just as Drew prepares to hang up his sword for a normal life, a vicious attack on Blair awakens a storm of powers inside her that rage beyond her control. As her emerging abilities become increasingly unstable, their searing passion could be her salvation-or destroy them both. Warning: Batten down the hatches and brace from the storm, complete with non-stop action, adult language, demons severed by swords, knives or whatever weapon is handy, wet and wild rooftop foreplay and hot, explicit make-you-shudder-to-your-toes sex.
