Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There are ten epistles that have meant a lot to me; some over many years and some in more recent time. I want to write about them. Unlocking The Secrets Of Jude is the first book I have done in this series. Jude, in a mere 25 verses, focuses upon the false brethren among his readers. He spends a number of verses comparing them with the godless of the Old Testament. He reminds his readers that God will judge the false believer; He hasn't forgotten to do so in the past and He won't forget now. Jude does this to get them to contend earnestly for the faith. Part of his entreaty is for them is to recall and live what the Apostles had given them. In addition, he calls them to help those weak in faith, or in sin. I do hope you will come along with me as we unlock the secrets of Jude, and apply it to our lives.
