White Knight Press, United States, 2014. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This 409-page book is a complete guide to the operation and features of the Nikon Coolpix P600 digital camera. The book explains all shooting modes, menus, functions, and controls of this superzoom camera in clear language, accompanied by more than 300 full-color illustrations and sample photographs. This guide shows beginning and intermediate photographers not only how to capture still images and videos with the Coolpix P600, but when and why to use the camera s many shooting options to get the results they want. The book explains topics such as autofocus, manual focus, depth of field, aperture priority, shutter priority, HDR (High Dynamic Range) photography, ISO, memory cards, and flash modes. The book includes a detailed discussion of techniques for using the camera s phenomenal zoom lens, with a maximum focal length of 1440mm, to full advantage. The book also discusses the camera s features for image transfer and remote control through the P600 s built-in wireless (Wi-Fi) network). The book includes images taken using the many creative settings of the camera, including the Picture Control settings, which alter the color processing of images; the Scene and Special Effects shooting modes, with settings optimized for various subjects, including landscapes, portraits, pets, sunsets, and action shots; and the camera s features for continuous (burst) shooting and time-lapse photography. In addition, the book provides introductions to topics such as infrared photography, street photography, and macro photography. The book also explains the video recording abilities of the Coolpix P600, which can shoot high-definition (HD) video with stereo sound, and can record clips of high-speed video at rates up to 4 times normal speed. In addition, the book describes procedures...
