SACRED SPACE (PAPERBACK)

Brand New Book ***** Print on Demand *****.Are you tired of living a formula faith that leaves you empty, frustrated, and discouraged? We were created to experience so much more of God than most people currently do. However, too often we settle for the A + B = C approach to faith and life-which never truly meets the deep longings of the soul. We have bought into the lie that we will become spiritual people if we simply do the right spiritual things. This has crafted a works-based religious culture that fosters discouragement, disillusionment, and apathy. Sacred Space: - helps us journey deeper than bullet-point Christianity - teaches us how to unmask the shallowness and emptiness of cultural spirituality - shows us how to live connected to God If you long to uncover the secret to cultivating God-space amidst the busyness of life, then prepare to experience the divine movement from information towards transformation. Discover how to free your soul, moment by moment, in the midst of a frantic, noisy world. It s time to revolutionize the way you live out your faith and begin experiencing a God-saturated life-the zoe life of God-from the inside out! It s time to create some sacred space.
